

Why Join CCIRA?

As the largest literacy organization in the state, CCIRA can support you and your students with professional learning opportunities and resources.

What are the Benefits for Members?

1. CCIRA awards \$75,000 worth of grants and awards to members every year! These dollars directly impact Colorado teachers and students.
2. Members receive a discount for our premiere, annual conference in February. Take a peek at who's coming this year!
3. Local councils meet throughout the year all over the state to bring speakers and events to members. Continue to learn and grow while finding other educators in your area jazzed about literacy, collaboration, and effective instruction.
4. Our professional publication, *The Colorado Reading Journal* and our online newsletter, *The Colorado Communicator*, will keep you in the loop with the latest research and literacy initiatives heading our way. Take a look at our most recent issue (linked at left).
5. New to teaching? Last year CCIRA launched the Early Career Network, a special interest group within CCIRA, including events and resources specifically for teachers in their first three years.

How can I get my school and PTA involved with CCIRA?

Use the Google Presentation linked at right to make a proposal to your own PTA. (It has everything you need! Just click and use it!) Many school communities are looking for ways to support the professional learning of their teachers. Partnering with CCIRA is a great way to support students!

Bonus: Join or renew your CCIRA membership by October 15 (\$35), and you'll be entered into a drawing for one of two FREE conference registrations (\$190 value)!
